will be signing books  
and posters before and  
after the reading**

This gathering of stories straddles the borderland between realism and absurdism, telling true tall tales of lightning strikes, deadly pranks, mixed luggage, mysterious encounters in a Zen center, a faith healer down on his luck, all in the ragged pursuit of love, where humor guards the bridge between the sound heart and lunacy.

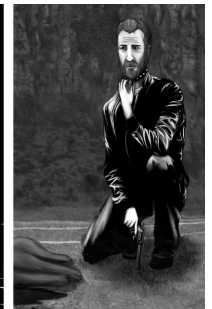

*Blissful*

*Life Is Brief*

*Lightning*

*On the Mountain Road*
